

Rotherham School Reporting to Parents Survey – August 2016

As part of our self-review process, the Rotherham School is currently reviewing our policy of 'Reporting to Parents'. We would like to ask parents, care-givers and students to respond to our survey as we review and improve the process of reporting to parents.

Effective reporting includes sharing with parents through both formal written reports and informal exchanges of information. At Rotherham School we send full formal reports in all curriculum areas and mid-year reports reporting on your child's progress and achievement in Reading, Writing and Mathematics in relation to National Standards. There are Parent Interviews at the end of Term 2 and 'Sample books' sent home at the end of Term 1 and Term 3.

At Rotherham School we always have an 'open door' policy for parents to come along and discuss their children's progress.

Please complete the following survey to review our process of reporting:
