## Life Education Caravan

19 March 2019

### Board of Trustee Triennial Elections 2019

#### What sort of skills do trustees need?

Trustees are active leaders in their schools and need a balance of skills and experiences. They need to work well in a team, be able to put plans in place for the school's future, ask challenging questions and have good communication skills. It helps to have strong links to one or several of the school's communities, as well as an understanding of financial matters and the education sector, and experience in managing people.

(NZSTA Website)

Please note: we will have nomination forms at school from 10 May.

Books & Gifts Direct: There is a new selection in the staffroom for you to view. Orders and payment are due back at school on Monday 1 April.

Senior

**Lily Neppelenbroek:** for having a positive attitude towards all learning and always producing work to a high standard!

**Principal's Award**

**Riley Mason:** for his positive attitude to learning in the Senior Room

Inspiring Exceptional Learners

As I write this, we are preparing to have our Home and School AGM and we have organised Tim Heidmann (RTL) to come along and speak about expected behaviour and PB4L (Positive Behaviour for Learning). Tim is a Resource Teacher of Learning and Behaviour who works with our school and is a very interesting speaker - I know that everybody will get some good information and ideas from Tim. A reminder that it is important to support our "Home and School" as it is the children that benefit from all their good work! If you are unable to come to a meeting please put your apologies in before the meeting. CONGRATULATIONS to all the office bearers and we look forward to an exciting year working with you.

On Friday 5<sup>th</sup> April, Rotherham School is travelling to Ferrymead Heritage Park in Christchurch. This is part of our topic this term - "History of Transport" and there will be a variety of fun activities to complete around this theme. We are going to travel down by bus but we will still need some cars to help with transport. It is an interesting day and thank-you to the "Home and School" who are paying part of the costs through the NCMSC grant. Please see the attached notice and return to school by Friday 29<sup>th</sup> March.

On Tuesday 2<sup>nd</sup> April we have the Hurunui Softball which is held at Amuri for Year 5 and 6. Also the Year 3 and Year 4's travel to Greta Valley to play T-ball. Please remember to wear your sports gear, to have warm clothing and lunch/drink. Thank you to all wonderful parents who are helping.

It has been a difficult time over the last few weeks with the Mosque shootings in Christchurch. If you are needing any support, please contact us as we have different agencies that can help in some way. Attached are some ideas that have been sent to me - but it is a time to enjoy and appreciate your special families and children. It was a great response from "Colour Your Day" fund-raiser as Rotherham School made \$75.10 which has been sent to a family affected in Culverden and on Friday 12<sup>th</sup> April we are going to have a "St John Heart of Gold" to support all the wonderful emergency services. The students are to come to school as their favourite super-hero with a gold donation.

Have a safe week  
Ginny Macfarlane

A reminder to please wear your hi-vis vest to and from school each day.
