Holiday Poems

Welcome back to Term 3 – to the best little school in North Canterbury. I hope everyone had a good break over the holidays. At school there were building tasks happening with an electrical upgrade, new lights and the installation of a new fire alarm system.

This term we have a variety of exciting activities happening. We have a **Ski-trip to Mt Lyford on Wednesday 7th August**. I encourage everyone to have a go with this as it is an awesome opportunity to experience skiing and at reasonable costs. Attached is the information and permission slip for you to read, complete and return to school by Wednesday 31st July.

This term the Year 6 students are involved in the 'Wise-Up' programme which is a 10 week session on life skills held every Thursday afternoon with Waiāu School. The 'Wise-Up' coordinators are from Mana Ake and one of its key aims is to build children's self-esteem, their confidence, to find their strengths to be happy and have healthy feelings.

It was great to finish off Term 2 with the Parent/Teacher interviews and it was pleasing to have such a fantastic response and attendance for the interviews. Please remember that Rotherham School has an 'open-door' policy and if there are any concerns please arrange a time to meet with your teacher.

A big THANK-YOU to Renee Dampier-Crossley and all the wonderful parents that were involved with the "Amuri Basin Rogaine" which was one of our main fundraisers. It was a great event to be involved with and such a success!

Our key competency for this term is – "Participating and Contributing"

Have a great week,
Ginny Macfarlane
